about +

Chelsea is a multi-hyphenate + passionate creative who refuses to limit her pursuits. She creates visual artwork and designs on the topics of self love, authenticity and unfiltered happiness. Chelsea believes you can create your most beautiful reality - and uses her work to do just that.

Her love for creativity combined with an education in both fine art + business has yielded a highly sought after eponymous brand — which has ranged in product from artwork + home decor to accessories + apparel.

As the foundation of her namesake brand, Chelsea's artwork can also be found licensed to + in collaboration with other like-minded companies.

When she's not busy coloring outside the lines in Los Angeles, CA - Chelsea is creating happiness and sharing it with others.
